

3760 Atlantic Ave Long beach, CA 90807

Fine print: By purchasing the treatments or signing this document you agree to the following financial and refund policies: Clients are responsible for the payment of all services provided by LBC Laser MD. Payments must be paid at the time that services are rendered. PLEASE NOTE: LBC Laser MD does not accept or file any form of insurance for services or products. Clients are responsible for paying any balances in full before services are deemed or appointments are made.

Refund Policy: LBC Laser MD refund policy is that no refunds will be issued once an initial purchase has been made. Clinic's credit may be issued at the discretion of LBC Laser MD. Only the amount paid is redeemable towards the clinic's credit taking into account discounts that were taken at the time of original purchase. When treatment packages are used, the full cost of each treatment will be deducted from the amount paid and the remaining balance is what will be available for redemption toward the clinic's credit if other treatment options are pursued. Clinic's credit has no cash value and may be only redeemed towards services by LBC Laser MD.

Appointment Cancellation Policy: Clients must notify LBC Laser MD of appointment cancellations or time changes, at least 24 hours prior to their originally scheduled appointment time. Any cancellation without minimum 24-hour notice, same day cancellation or no show will be charged \$20.00 before next appointment(s) can be booked.

I have read and agreed to Refund & Appointment Cancellation Policy
